PREPARATION OF THIS DOCUMENT

The Fifth Session of the Indo-Pacific Fisheries Commission Working Party of Experts on inland fisheries, which met in Bogor, Indonesia in June 1991, recommended that the previous FAO publication: A Provisional List of Inland Fisheries and Aquaculture Specialists in the Indo-Pacific Region, FAO Fisheries Circular No. 796 (1986) be updated. During the intersessional period, new and revised lists have been received, which have now been compiled by Xiangke Lu, Fishery Resources Officer of the Fishery Resources and Environment Division into the present updated form.

D/U 9964

The FAO Fisheries Circular is a vehicle for distribution of short or ephemeral notes, lists, etc., including provisional versions of documents to be issued later in other series.

List of inland fisheries and aquaculture specialists in the Indo-Pacific region.

FAO Fisheries Circular. No.796, Rev. 1.
Rome, FAO. 1993. 119 p.

ABSTRACT

The names compiled in this updated list are those of personnel presently active in the fields of inland fisheries, freshwater and brackishwater aquaculture in countries of the Indo-Pacific Region that are provided by the following countries: Australia, Bangladesh, China, India, Indonesia, Malaysia, Myanmar, Nepal, New Zealand, Papua New Guinea, Philippines, Sri Lanka, Thailand, Turkey and Viet Nam. The list continues to be organized under individual countries and arranged alphabetically. A subject list is included. The list represents the second issue of this kind on a regional basis.
